

PULLING A SWIFT ONE

Official Matamata AFC match day programme

Matamata Swifts v Papatoetoe AFC

NRFL Division 1A

Saturday July 24, 2010

Matamata Domain, Matamata

Kick-off 2.45pm

A Few Kind Words

Welcome back to the Domain for today's fixture against Papatoetoe. We're starting to get used to the idea of playing new clubs just about every week and today is no exception. We know bugger all about today's visitors and I'm sure they know pretty much the same about us. I guess that means that this match will unfold totally on its own merits and not be influenced by any pre-conceived ideas. That will, at least, be good for the fans.

It would be fair to say that our primary goal for the season has been achieved - that being to make the top six of NRFL Division 1. That is quite an achievement for a club that hasn't been in any Northern League competition since 1998. As it stands, however, we can't drift into the end of the season thinking our job is done. The cut-throat nature of the new NRFL Division 1A that we now find ourselves in means our next six games are all cup finals (sorry, tired football cliché there). Our aim now has to be to make the top six of this division, which will mean avoiding the relegation play-offs. I'm guessing everyone else will have that on their minds too, so it won't be easy.

Division 1A brings with it a trip to Whangarei. There wouldn't be too many people in Matamata aware of the travel involved with being in the NRFL, let alone the prospect of the journey we have in front of us in the first weekend of August. So please spread the word. Let your mates know that the level of football we're playing at is far superior to, and brings with it a greater level of commitment, than the local competitions in which the other big Matamata sports clubs compete.

One final thing. We'll be holding our Annual Quiz Night at the club next Saturday, after the Manurewa game. The first question will be asked at about 6pm. I'll see you all there.
