Today is our last scheduled home game for the 2010 NRFL season. It's been quite a re-entry to northern regional football for us this year. While we finished 5th in Division 1, we're still learning what it takes to be consistently successful at this level, both on the field and behind the scenes. We've got most things right and will be better for the experience as we look to make Matamata Swifts a permanent fixture in the NRFL.

The prospect of falling into the relegation play-offs still hangs over us, as it also does for today's opponents, Takapuna. Both clubs will be desperate to avoid finishing in the bottom two and a win today will go a long way to ensuring Division 1 survival for 2011. So it would be fair to say the pressure's on and that we're in for one hell of an encounter today at the Domain.

After two narrow defeats at home, we gave ourselves a chance of staying up with a very good victory over North Force in Whangarei two weeks ago. Despite what the local Whangarei newspaper suggested in its match report, we were actually very good value for that win and well and truly deserved it. It's just a shame that our match against Wanderers was rained-out last Saturday as the confidence levels were up. So its back down to business today as we welcome another very good team to Matamata.

As this is hopefully our final home game for the season, I'd like to take this opportunity the say a couple of thank yous. We are indebted to a number of local businesses and people who have invested their support, money and goods & services in the club this season. We'd still be an also-ran in the local Waikato leagues without your backing. Our fans have also been great this year, and have made things interesting for several visiting teams. The support is noticed and very much appreciated.
